ORDER

This case is before the court on defendant Timothy Carey Willis's petition for early termination of supervised release. The court agrees that his supervision should be terminated early because defendant he has completed almost 4.5 years of supervised release without incident, he has maintained consistent employment, is 65 years old, and the Probation Department considers him a low risk for recidivism. See Defendant's Motion for Early Termination of Supervised Release (Doc. 4) at 1; U.S. Probation Office's Response to Court Order (Doc. 8) at 1. Also, the government and the Probation Department do not oppose the petition. See Government's Response

(Doc. 7) at 1; U.S. Probation Office's Response to Court Order (Doc. 8) at 1.

Accordingly, it is ORDERED that the petition for early termination of supervised release (Doc. 4) is granted; that defendant Timothy Carey Willis's supervised release is terminated; and that defendant Willis is discharged.

DONE, this the 2nd day of February, 2022.
